Account and data deletion

Optional form for people who can or cannot access their account. Sending a request starts identity verification; it does not immediately erase the account.

Safe reply email

- [ ] I request deletion of my Meldiq account and associated personal data.
- [ ] I request deletion only of the data described below; keep my account.

Data or account scope; describe any access problem

Subscriptions and communities

- [ ] I have a renewing purchase and need cancellation assistance.
- [ ] I have cancelled my renewing purchase, or have none.
- [ ] I am a sole community owner and need help resolving ownership.

Subscription or community references, if relevant (no payment credentials)

- [ ] I understand deletion can be irreversible after completion; other recipients may keep copies, and limited lawful records may remain.

Requester name

Request date

We will explain applicable exceptions, identity checks and completion timing. Deletion does not itself prove that a payment mandate has stopped. Do not send your password. You may also use Settings > My Account > Delete account.

Submit to contact@griipbuddy.com. You can make the same request without this form.
