Parent or guardian permission

For an eligible young person aged 13 or older, only where permission is legally required. This form cannot override a higher legal minimum age or serve as complete identity verification.

GriipBuddy LLC | contact@griipbuddy.com

Young person account identifier

Age or age band and country

Parent or guardian name

Parent or guardian contact email

Relationship and authority to act

Specific service or processing purpose requiring permission; do not use a blanket purpose

Notice or terms version provided

Date provided

- [ ] Where legally required, I authorize the eligible young person to use the identified service and agree to the applicable terms on their behalf.
- [ ] For the optional processing specifically identified above, I give permission where I have authority and consent is the applicable basis. I can withdraw it.
- [ ] I understand this does not authorize access to every private message or waive the young person's privacy rights.

Parent or guardian signature or typed name

Date signed

Meldiq verification record

Reviewer, verification method/result and applicable country rule (internal completion)

Send only the completed minimal fields initially. Do not email passports or identity scans. Meldiq must verify authority proportionately and decide whether the permission is valid before enabling the relevant use.
